# Class Dues Announcement

Greetings from your SEC treasurer! Congrats on our upcoming graduation. WOOHOO. I am writing to announce our class dues and to encourage you to contribute, as it will help our class remain strong in the coming years. Each member of a graduating or alumni class is expected to pay class dues, which are \$35. This is not the same as the Senior Class Gift, which goes to the Dartmouth College Fund. Your contribution goes directly into our class treasury helping to fund our class activities.

Over the next five years, the SEC will sponsor mini-reunions throughout the country. You will also receive updates on your classmates through class newsletters, the Class of 2011 facebook page, the Class of 2011 alumni website, and the Dartmouth Alumni Magazine. In addition, you will be informed about the progress of 2011 class projects, gifts to Dartmouth sponsored by our class. Five years out there will be a HUGE class reunion back in Hanover. Your dues will help pay for all of these!

Look out for more information on dues collection during SEC senior week events!

# From the Class President's Desk

Hey 11s!

I am Shayla V. Mars and will be your president for the next 5 years! Woot Woot! I will be in charge of coordinating quarterly calls with all the execs to make sure we are doing a good job of keeping our class connected. (i.e.- our blog, our Facebook page, class website, e-mails, etc.). The purpose of SEC is not to only provide you with a baller senior week, but to help us stay connected with each other, and with Dartmouth as well. That is our mission. For the next five years, we will be providing you with quarterly newsletters, mini-reunions (you can join the mini-reunion committee by emailing [dartmouthclass2011@gmail.com](mailto:dartmouthclass2011@gmail.com)), class projects, and of course interaction via social media outlets. In order for us to be the best committee we can be, we ask that you send us information about your adventures in the upcoming years. I am positive all of you are doing something amazing and we want to hear about it!

I would like to say that I am proud of us for sticking it out (through the snow and rain). Hopefully, many of us will be leaving here with high spirits and loving memories. Congrats Class of 2011. Best Class Ever!! Be on the look out for our events this senior week and in the future. You can contact us at [dartmouthclass2011@gmail.com](mailto:dartmouthclass2011@gmail.com).

Huggles!

Prezzie Shayla Mars

# Letter from the Editors

Greetings, Dartmouth College Class of 2011!

This has been the first edition of your class newsletter: *Life After College*. Special thanks go out to Melanie Pastuck for creating the newsletter logo which will surely be showcased at the head of every issue of this publication. We would also like to thank the Alumni Relations Office and our fellow members on the Senior Executive Committee for helping us get started.

But most of all, we wish to thank all of you for your overwhelming amount of responses to our survey request. As you can clearly see, this newsletter is and always will be full of information on the Class of 2011, and we will continue to send out open requests for information on each of your lives, wherever they may take you after June 12th. We will put out four issues of *Life After College* every year, and all articles, stories short and long, pictures, cartoons, text messages, overheards, jokes, and Dartmouth memories would be welcome additions to every issue. Send everything to [dartmouthclass2011@gmail.com](mailto:dartmouthclass2011@gmail.com).

We want to hear about every twist and turn, every office party, every mini-reunion, every marriage, every vacation to an exotic paradise, and every trip back to the College on the Hill. Indeed, we will always be held together by the granite of New Hampshire, no matter how large the world gets!

We hope you have enjoyed perusing our report of how the Class of 2011 maps out after graduation. And we hope that after you put down your copy of this newsletter, you fill your last days as Dartmouth students with all the fun that Senior Week deserves, whether it be on the couches in Collis, over bread and butter at Molly's, or under sunshine on the Green.

**A HEARTY CONGRATULATIONS TO THE CLASS OF 2011!**
